## Terms & Conditions for Photo Shoots

1. You have agreed to do a Photo Shoot with Misty Morning Photography as indicated above. Please download the Rates & Price list as well. Prices discussed will be added to this form once agreed between you (the Client) and myself (the Photographer).
2. Payment Terms will be as agreed, or if “TFP” time for prints, this means that no money or payment will be asked, expected or trans-acted between you (the Client) and myself (the Photographer). Every aspect of this shoot is free. If you are booking and payment has been agreed then the agreed prices & rates will be shown in both cases above.
3. Image Copyright, all images will be unmarked with any copyright, though remain the intellectual property of Misty Morning Photography and will have shared copyright between yourself (the Client) and myself (the Photographer) this is so that we can do Content Share of images. All that is asked that when you share to any aspect of your social media platforms that you tag us or include our website as above.
4. This shoot is done in good faith, trust and honesty with the aspect of building a working relationship between you as (the Client) and myself as (the Photographer). It will be expected that you offer a Review & Recommendation on our Social Media, Website & other similar aspects such as Trust Pilot.
5. It falls upon both of us to keep ourselves safe during any shoot. Misty Morning Photography will always ensure to keep you safe though personal responsibility is also an equal requirement and will not be expecting to put you into any unsafe position. If you feel unsafe, please say. All locations will be checked prior to being used as will any studio format.
